Vert Training (learning the ropes):

Vert trainings are where you learn how to have fun & not die.

1. Learn names, functions, & order of equipment
2. Properly put equipment together
3. Watch demonstration (upclimb downclimb rack)
4. Attempt yourself with guidance
5. PRACTICE

Vertical rope skills are awesome, but if you can't get the *hang* of it, or don't want to, you're still awesome too.

When I catch you abusing club gear:
