Spring Break

- We are planning our annual spring break trip right now
- It will be to New Mexico with a similar style to last year as far as living situations and types of caves
- It will be 5 days of caving, one rest day with a planned activity, and two days of travel
- We want to gauge how many people want to go
- We will take one minute for everyone to answer the poll real quick

Spring Break

He'll be crawling about now so we have
our lead chaser

Speaking of Caving Babies ...
